REPUBLICAN ROGUERY.

It is Shown Up in Maine-A Trap Into Which the Party Fell.

Portland, 6.—In a press dispatch, this afternoon, a letter appeared, signed by Thomas B. Swann, of Minat, saying he would not act with the fusionists. The following affidavits, which will appear in to-morrow's Argus, are, therefore, self-evolunatory.

AUGUSTA, January 6.

I, Thomas B. Swann, of Miuat, hereby, on math, make the following statement: On the expline of the 5th of January, I was informed, by a reliable person, that he had been offered \$1,000 by one of the agents of the republican party, to resign his position as representative to the legislature of Maine, and not act with the greenback or democratic party. I, therefore, consulted with leading members of the greenback party, and informed them tost I would have it hinted to said agent that my resignation could be effected with money, and if I was offered \$1,000 I would take it and aign the papers that they should repust, and then expose their plans to defeat the will of the people by bribery. The party when they endeavored to bribe on the 5th informed said agent that I could be purchased, and 10.30 clock on the 6th was appointed for me to be at the court house and sign the resignation and other papers. I went there at the time appointed and met the said agent, whose name I now suppross. A trade was made and as and agent paid me \$1,000 in cash. Said agent informed me that they lad got three or four men to remain away from the house of representatives, so we could not have a quorum present. I was required to copy in my own hand the papers which they had prepared, before I came to said ourt house, for my agrature. I now have the \$1,000 in my persession, and have shown it to several parties.

Personally appeared Thomas B. Swann, and made oath that then bove affidavit by him is true, before me.
